

Dowites78 Foot & Wound Care Centre

Another Step towards Humanity

About Us

Dowites78 Foot and Wound Care Centre is an initiative taken by DOTs to perform a comprehensive assessment of neurologic, vascular and orthopedic problems caused by diabetes. The centre will be equipped with up-to-date modern machines and software and this will make this clinic one-of-a-kind in Karachi. This clinic will be best suited for patients who have non-healing wounds, uncontrolled glucose, and vascular disease.

*"We take ownership of patients that no one is willing to look after;
as this has always been our mission."*

This success would be an addition to the landmarks of Dr. Ruth K. M. Pfau Civil Hospital Karachi. Dowites78 Operation Theatre Welfare Society is proudly taking the ownership of this one-of-a-kind foot and wound care centre and request the support of all philanthropists and the general public to participate in this virtue.

Services We Offer

Early Screening

Early screening of diabetic foot to detect the presence of neuropathy or foot deformity.

Diagnosis

Prevention and early diagnosis of diabetic foot complications that can lead to ulcer formation.

Bandaging & Curing

Daily cleaning, foot inspection, medication and bandaging to help people heal rapidly.

Wound Healing

Intense care, proper medication, and cleaning measures to help the slow healing process.

We thank all our donors, supporters, benefactors and patrons for their generous support in building state-of-the-art, Free of Cost, Dowites78 Foot & Wound Care Centre.

Our Patrons

DOW Alumni
1991
