Induction Ceremony Laparoscope

The inauguration ceremony of new HD Laparoscope donated by Infaaq Foundation was organized on 31st Aug 2016. The honorable guests included MS.

Jameel Siddiqui, Dr. Saeed Qureshi, Prof. Amjad Siraj, Dr. Bilal Ahmed and Dr. Minhaj-ud-Din. Numerous other medical professionals also attended the ceremony.

Field Trip Fajar Academy

31st October 2016 was the day when children from Al- Fajar Academy visited OT complex with an intention to learn about the medical occupations. Young boys and girls were first given demonstration about medical

professions. Later they were shown live video from various OTs. Finally, they were taken to OTs where they got a chance to see live surgeries. Children were also given chance to speak to various doctors and ask questions of their interest.

Ceremony in the honor of Class of 1991

Dow Graduates Class of 1991 received a tribute by DOTS OT Complex for their generous donation of anesthesia machines given to DOTS OTS Complex. In this regard, a ceremony was conducted on 26th December 2016 in DOTS Auditorium. Mr. Faisal Edhi was the chief Guest of the ceremony. The ceremony was attended by DOTS board of Directors and Medical Superintendent, Civil Hospital, Karachi. Later a plaque Unveiling ceremony was also conducted.

DOTS Evening Shift

DOTS evening shift, Nawa-e-Zindgee, was launched on . The project is doing great in terms of catering maximum number of patients by providing them with quality and timely surgical care. The project was launched in 2016 with the kind support of Edhi Foundation. DOTS aim to enhance the capacity of its evening shift in near future.

World Pharmacist day

World Pharmacists Day was organized in DOTS auditorium on 28th September 2016. The event was celebrated sixth time around the globe in the honor of

pharmacy profession. It is to highlight the impact and added value of the pharmacy profession and its role in improving health to authorities, other professions and the media, as well as to the general public. The theme of this year's World Pharmacist Day was "Pharmacists: Caring for you".
